FOR: The Record

FROM: Chief, FBIB

SUBJECT: [redacted] 25X1

On 15 December 1948 I conferred in the Washington office with [redacted] CAF-9 Information and Editorial Specialist at the Hawaii Bureau. [redacted] desires a transfer to Washington some time during 1949 in her present grade, and preferably before the summer of 1949. 25X1 25X1

I advised [redacted] that with our present grades and ratings in the editorial division, we could not transfer her to Washington at CAF-9, but that if the outcome of our current classification survey was favorable, such a transfer could be made, and that I would attempt to work it out some time prior to the summer of 1949. 25X1
